

PRICING UPDATE

LIST PRICE CHANGE NOTIFICATION

North America

To Zebra Customers

Date July 30, 2021

Effective Date: September 13, 2021

Our industry is facing unprecedented cost increases in semiconductors, LCDs, copper, glass, resin, PCBs, and other raw materials, and inflated cargo rates. To partially offset these cost increases, Zebra will increase list prices on selected Mobile Computers, 3600 Series Industrial Scanners, Desktop Printers, RFID Printers, Kiosk Printers, and Printer Aftermarket by 3.5%. Mobile Computing Support Service list prices will increase by 2%, Mobile Computing and Scanner Accessories will increase by 5.5% effective September 13, 2021.

The following products and services are included in this list price increase.

- Most Mobile Computing devices
- All Mobile Computing accessories
- All EMC Support Services
- DS360X, DS367X, LI360X and LI367X Industrial Scanners
- Advanced Data Capture accessories
- Desktop, Kiosk and RFID Printers
- All Printer Aftermarket Products

The following products are excluded from this list price increase:

Tabletop Printers, Mobile Printers, Card Printers, SOHO Printers, ZD2X Printers, RFID Readers, RFID reader accessories, CS60 Cradles, RFD40 Cradles, Supplies, Software, all Custom SKUs and devices in the following Mobile Computing categories and families: Tablets, ENT Tablets, ET51X, ET55X, ET56X, MC22XX, MC27XX, TC21XX, TC26XX, Wearables, WRIST, RSXXX, WT60XX and WT63XX and any product or service not listed above.

Selected new products launching prior to the effective date will take a price increase on the effective date listed above. Please contact your Zebra Partner or Account Manager with any questions.
