

Pick the Best Label for Your Warehouse Setup

Selecting the right labeling system for your warehouse setup doesn't have to be a sticky situation. Here's some key questions to consider.

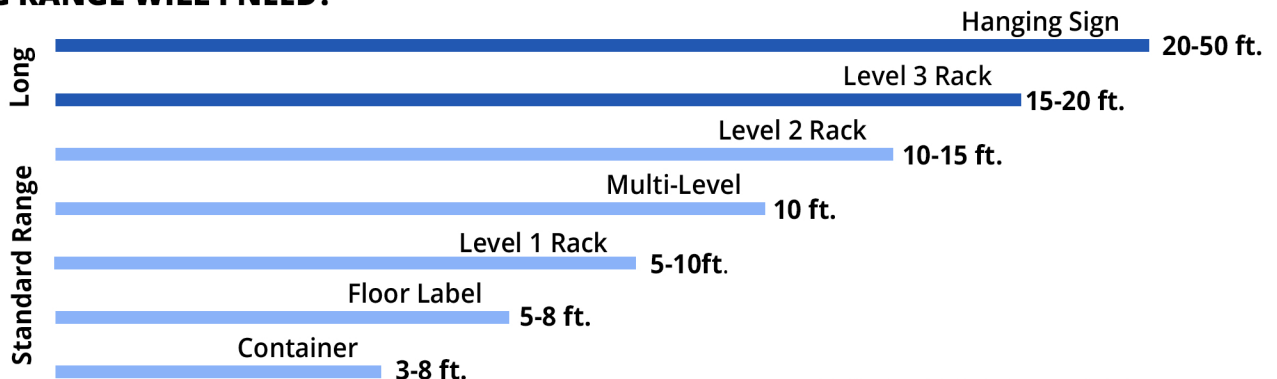

WHAT TYPE OF LABEL DO I NEED?

Get started by identifying what you need to label, and where it will be located.

- 1 Hanging Sign Label**
 100 Mil Barcode, Retro-Reflective Label
 
- 2 Cold Storage Label**
 60 Mil All Temperature Adhesive
 
- 3 Level 3 Rack Label**
 80 Mil Barcode, Retro-Reflective Label
 
- 4 Level 2 Rack Label**
 50 Mil Barcode, Polyester Label
 
- 5 Multi-Level Rack Label**
 20 Mil Barcode, Polyester Label
 
- 6 Level 1 Rack Label**
 20 Mil Barcode, Polyester Label
 
- 7 Container Label**
 15-20 Mil Barcode, Polyester Label
 
- 8 Floor Label**
 50 Mil Barcode, Metal/Polyester Label
 

WHAT SCANNING RANGE WILL I NEED?
