Zebra List Price Change Due to Cost Increases

Our industry is facing unprecedented cost increases in cargo rates and raw materials. To partially offset these cost increases, Zebra will increase list prices on the following products by 6%: Most Scanners, Printers in the ZD420, ZD421, ZT411, and ZT510 families, and Mobile Computers in the MC22, MC27, MC93, TC21, TC26, TC52, TC7 and Wearables categories. List Prices will also increase by 6% on Aftermarket, Accessories, and Mobile Computing Support Services unless specifically excluded below.

Important information about this list price increase:

- The following products and services are EXCLUDED from this increase:
 - Industrial scanners in LI360X, LI367X, DS360X, and DS367X product families
 - Desktop printers in ZD220, ZD410, ZD411, ZD611, ZD620, and ZD621 product families
 - Tabletop printers in ZT220, ZT230, ZT420, and ZT421 product families
 - All Card Printers, Card Aftermarket, RFID Printers, Print Engines, and Mobile Printers
 - Mobile Computers in MC33X, TC53X, TC57X, and TC58X product families
 - All Tablets, Ring Scanners, RSX, and VCX product families
 - All Barcode supplies, Scan Engines, and RFD4X and RD91X product families
 - All OEM products, EMC Software products, Fixed Industrial Scanning/Machine Vision (FIX/MV) products, and Location Solutions
 - All Services except Mobile Computing Support services
 - TC21, TC26, or Tablet Mobile Computing support services
 - All Mobile Robotics
- Except for FIS/MV Accessories, all Accessories are included, even if the family exclusion is noted above.
- All Aftermarket Batteries, Connectivity, and Printheads excluding Card are subject to this increase.
- Prices will increase by 6% on any product or service not specifically excluded.
- New orders for these products booked directly with Zebra after the effective date will reflect these changes.
- Selected new products that are due to launch prior to the effective date and for which list prices have been provided to distributors, will also be subject to a price increase on the effective date.
