Meet the Trailblazers

Mobility Solutions for Uncertain Times

Zebra has always been a leader in rugged enterprise mobility, providing businesses with the solutions needed to achieve digital transformation in a highly competitive, post-pandemic world. They know that they can count on Zebra mobile computers to deliver a performance edge in any industry and any environment—to help manage the challenges that lie ahead. Our portfolio is packed with a powerful selection of mobile solutions with features that fit virtually any application.

And they're ready to ship today.

A Performance Edge for Any Environment

Wherever work takes you, perform your best. True mobility is designed specifically for your environment, applications and challenges—whether inside your four walls or outside in the harsh elements. Here's how Zebra can give your business the performance edge for your industry.

Transportation and Logistics
Deliver non-stop service from the first mile to the last

- Cross-docking and stocking
- Picking and packing
- Shipping and receiving
- Inventory management
- Proof of delivery
- Rental car return

Retail and Hospitality
Give customers an experience that keeps them coming back

- Product pricing
- Cycle counts
- Mobile point of sale
- Proof of purchase
- Gift and loyalty cards
- Event and season passes

Manufacturing
Ratchet up productivity from the plant floor to the front door

- Work in process
- Compliance labeling
- Parts management
- Equipment maintenance
- Traceability
- Quality assurance

Government
Improve services and safety with secure access to information

- E-citation
- Health and human services
- Emergency management
- Military supply chain
- Identity management
- Code inspections
- Exchange services

Healthcare
Strengthen patient safety from admissions to discharge

- Positive patient identification
- Laboratory/pharmacy management
- Asset management
- Accurate specimen labeling
- Telehealth
- Patient engagement at bedside

Warehouse
Connect each operational area in your warehouse to give you the agility to realize transformational gains

- Cross-docking and stocking
- Picking and packing
- Shipping and receiving
- Inventory management

Handheld Computers:
Versatility and Velocity Go Hand in Hand

So smart, these multi-taskers speed up work. And a familiar interface is one you'll immediately recognize and know how to use. But unlike consumer devices, they won't fail you. They are made for work—tough-as-nails and ultra-secure.

MC3300ax Mobile Computer
Easy, advanced Android mobile computing

The highly successful and widely adopted MC3000 product family delivers unmatched versatility and flexibility.

Features

- Two Form Factors: Straight Shooter, Gun/Pistol Grip
- Three different keyboard options: Numeric, Function Numeric, Alpha Numeric
- Advanced industrial barcode scanning, 3 in. to 70 ft.
- Supports ease of Android migration with All-Touch Terminal Emulation

Portfolio Differentiators

- Next generation Wi-Fi performance with Wi-Fi 6
- 35% more battery capacity than the legacy MC3300
- Increased ingress protection and tumble durability from the legacy MC3300
- Simplified configuration options compared to the MC3300

TC21/TC26 Mobile Computers
### Right features, ruggedness and business-class accessories

With multiple configurations at different price points, you pay only for the features your application requires.

Features

- 5 ft. drop with optional protective boot
- 13MP rear camera/5MP front camera
- Mobility DNA Professional included; upgradeable to Mobility DNA Enterprise

Portfolio Differentiators

- Durable, lightweight, right-sized, small design
- Choice of 1.8 GHz or 2.2 GHz processor
- Mobile-driven workstation with Workstation Connect

TC52x/TC52ax, TC57x Mobile Computers

Packed with innovative new features

More advanced Zebra-only features and support for the latest mobile innovations paving the way for new applications and superior future proofing.

Features

- High resolution 5-inch full HD touch screen
- Complete cellular network flexibility with support for carrier aggregation
- Backwards compatibility with all TC5X accessories
- Wi-Fi 6 and double the memory (TC52ax only)

Portfolio Differentiators

- Faster 2.45 GHz processor and new Universal Flash Storage (UFS)
- PowerPrecision+ high capacity battery delivers up to an impressive 14 hours of power
- SE4720 1D/2D scan engine for fastest, easiest data capture; SE55 Advanced Range scan engine with IntelliFocus™ technology (TC52ax only)

TC52x-HC Series Mobile Computers

The ultimate healthcare feature set for the ultimate in quality of care

With a large 5-inch full HD Display, optimized voice capabilities and a disinfectant-ready design, the TC52x-HC and TC52ax-HC are made to deliver a performance edge and better patient care for clinicians.

Features

- Dedicated emergency alert button
- True hot-swappable, removable battery
- Healthcare-friendly white illumination LEDs with green aimer
- Wi-Fi 6 and double the memory (TC52ax-HC only)

Portfolio Differentiators

- Most powerful processor in its class at 2.45 GHz
- Better image capture with Phase Detection Autofocus (PDAF)
- Advanced tracking with integrated BT beacon and support for Device Tracker

TC72 Mobile Computers

The ultimate ultra-rugged enterprise all-touch computing

A smartphone experience for maximum simplicity, designed to withstand years of the toughest use.

Features

- Withstands multiple 8 ft./1.8m drops to concrete at room temperature per MIL-STD-810G
- 15-hour battery power; full battery statistics
- Programmable dual-action left and right side-scan triggers, and Push-to-Talk (PTT) button

Portfolio Differentiators

- Simultaneous support for two carriers; aggregated carrier support delivers faster upload and download speeds
- Advanced scanning technology and PRZM Intelligent Imaging deliver lightning fast capture of printed and electronic 1D and 2D barcodes, including Digimarc
- Value-add Mobility DNA Business Tools

Zebra Mobility DNA:
Your Mobile Computers' Built-in Advantage

With advances in technology continuously accelerating, it's the software inside your enterprise mobile computers that determines whether they remain relevant, agile and high-performing with a strong ROI over their entire lifecycle. That's why all Zebra enterprise mobile computers come with a built-in advantage: **Zebra Mobility DNA**.

Integrate
Developers can effortlessly create and integrate mobile computer apps in less time with less risk

- Write it once; run it on multiple platforms
- Add advanced enterprise features
- Leverage Zebra APIs and sample code

Optimize
Enable workers to do more by improving the performance and UX of their mobile computers

- Ensure reliable and consistent connectivity
- Find lost devices even if powered down
- Unify teams, communication and workflows

Manage
Help IT reduce the complexity of managing and maintaining mobile computers

- Centrally manage devices in multiple locations
- Resolve software and OS issues faster
- Assess utilization of mobile computers

Secure
Maximize IT's ability to address new and emerging threats

- Get >10 years of timely, aggressive updates
- Migrate to a new OS at your pace
- Monitor the security status of mobile computers in real time

Deploy
Rapidly stage and easily configure small to large batches of mobile computers

- Configure with almost no learning curve
- Automate staging with a scan or NFC tap
- Bundle all settings and remotely stage
